Feb 9, 2019 Does autocad installation cd have any license that is hidden somewhere? Solved! It does not give any installation free with autocad license code. solved: Autocad 2019 serial key generator Jan 26, 2020 I do not have Autocad 2007 CD. Solved! I found a 3rd party software and the activation code for it is working. Jul 20, 2020 Is there any kind of activation key is for autocad 2019? Solved! Yes there is free of charge for Autocad 2019. A: It doesn't sound like you have any method for legally obtaining that version. If you installed the software on a USB drive, you may be able to make it work on a newer laptop by putting it back on a computer that has the DVD drive. If you are sure you have the license and can prove that, you could call the Autocad Customer Care team and ask about installing it that way. They will be able to tell you whether it is possible. Autocad's website offers a professional version, which you can ask them for the license code for. You could then re-install the software from that website. Since Autocad 10, Autocad is not "free". They have a student program that is free and provides a few limitations. My experience with Autocad: I used to use Autocad 2007 and 2009. I still used the 2007 version of AutoCAD 2009 and later. I discovered that Autocad 2010 was unsupported due to security issues. Even though I had a valid license, I needed to purchase a new activation key because it was unsupported. Autocad 2012 was supported and gave me the option to skip the student program. Autocad 2019 wasn't supported. There were some suspicious claims about the missing support. There are some questions on Autocad about this here. A: An activation code is automatically generated for each installation, and included in the software. There is no license code, only an activation code. A license code is included in the license but not given to the user on every installation. This is intended as to avoid folks using a license key to install a total of 100 copies of Autocad at once. Note: you would always receive an activation code with your paid license, but you should also receive a license code when you install Autocad. The license
