into games; I prefer to play, read, and develop my mind. I spent the last couple of years building my website while watching many different documentaries and episodes of The Devil's Playground. I had spent most of my past life on this planet working really hard so I can't imagine telling someone that I want to sit down and play my favorite games for five to eight hours a day. I am very excited to be able to share my hobby with all of you, as well as develop my knowledge of the games industry.
