The blood supply of various myocardial territories has been studied in 168 patients aged 32 to 64 years having acute myocardial infarction in order to specify the relationship between the injury pattern of the ventricular myocardium and blood supply to the anterior descending coronary artery (ADCA) and circumflex artery (CXA). It has been found that with an acute myocardial infarction of a large area, the blood supply to the infarcted myocardium shifts to the arteriovenous bypass. Blood supply to the infarcted myocardium, in case of a limited infarct area, shifts to its centromedial territories, while, in the case of an extremely limited infarct area, it shifts to the territories not involved in the infarct. At the same time, there appears the perinodal depolarization sequence in the V2/V4 and V4/V6 areas in the ECG recordings of these patients. From now on, we will continue adding information to the game, so please keep your eyes on the game page for continued updates. Thank you! The development team (Please contact us by e-mail with any inquiries, sales inquiries, or if you need help from the localization department) About Oricos develops the fantasy action RPG 'The Elden Ring' for PlayStation 4. The story revolves around a young boy of the Elden race - Noore - whose mother is being abducted by monsters. When his father, who is the king of the Elden race, does not help him save his mother, Noore escapes from the capital city and flees to the vast Lands Between, a dangerous place where people are divided into the Dark Elves and the Light Elves. Noore and a group of enemies embark on an adventure to find his mother. 'The Elden Ring' is a story about how Noore, who is abandoned in his mother's absence, becomes a rebel in the Lands Between, and the drama that rises up from that. How does the story connect to the world of 'The Elden Ring'? You can enjoy exploring an unparalleled world where the open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. It's a place where your path is revealed to you only when you walk on it, where your fate is intertwined with those around you, and where you can choose your own destiny. It's the story about a young man who could live or die in the fate of the Lands Between. In order to play 'The Elden Ring' at its best, you can choose your own weapons, armor, and magic, and customize your character to play the way bff6bb2d33**
