Features Key:

A Vast World Full of Excitement
Create your Own Character
A Multilayered Story told in Fragments
Excitement Within Remoteness
Open World Game

Elden Ring invites players to a world of fantasismystery. Rise up, tarnished, and be guided by grace to play as either Tarnished, the brave knight of the ring, or LightSpeaker, the champion of heroines.

In the far past, there existed a ring of power that protected the lands and humanity. But when the ring fell into the hands of the demons and Nobodies, it was revealed that all was not what it seemed. Was it the ring's enchantment, or was it not? And was it truly lost?

In the land called the Lands Between, the creation of Tarnished, who desires to be known as "the age of justice," begins. And here it is time to take the place as the new ruler of the Lands Between!

Players fulfill their destinies in a fantasy world set between reality and the alternative world where the East Ocean is located. On their journey to becoming an Elden Lord, players make their way through the Lands Between by combining and equipping a variety of offensive and defensive weapons and magic.

Players can construct a character of their choice and join a party in the party system. The battle and quest system enables an innovative battle system, and the jobs for the in-game guilds are exhilarating. Players can enjoy freedom of character creation based on race, outfit, hairstyle, voice, and so on.

Elden Ring was originally developed by Gonzo.

We encourage players to become entirely lost in the game and to take the trip of a lifetime.

Click the "Crack Game" button 3. Click "Extract" 4. Play 5. Enjoy the game How to play ELDEN RING game: HOW TO PLAY ELDEN RING: The new fantasy action RPG for Windows 10(PC & Xbox one) has been released and gamers are amazed to find out that it's free! The game was released by Torn Banner Games and it's a well-developed game with stunning visuals and a rich gameplay. It offers an exciting adventure that can be enjoyed by anyone who loves RPG games. The epic story of the game is narrated by a mysterious narrator who tells you the life and deeds of his predecessor's descendants. CLASSES AND ROLES: Character classes Atron Beast-master of the Elden Ring and master of battle. Class role Intelligence Atron's mobility is quite good. With a certain ability, he can escape traps by trapping an opponent within and breaking the block. Evade Atron easily dodges attacks coming from behind, but his mobility can be negated if he is ambushed by enemies during the process. Whirlwind Atron forces enemies to sprint, activating their movement speed and stun attributes. This attack can be
