On the continent of Neptheia, the conflict of light and darkness has been raging for centuries. Now, two great heroes are fighting to bring peace to the war-torn land. With their help, the good and evil of the two sides can find an end to the war. What is this power you want to possess? Is it the power of darkness? Or is it the power of light? The choice is yours to make. World of Neptheia combines the game mechanics of traditional RPGs with the experience of real-time strategy games. The player must lead a party of heroes to battle and solve the continent's key events. The world of Neptheia is divided into 2 hemispheres: the heavenly realm of Mejora and the demonic realm of Duinion. Depending on the way the player plays, the player can chose one of three different classes: Paladins, Dragons and Keepers. Each class has its own skills and its own strengths and weaknesses. But whatever class you choose, you'll soon find out that there's more to the game than just class and abilities. You'll have to choose your path in life, decide whether you're truly good or whether you're the embodiment of evil. In Neptheia, you get to create your own story. You can visit various towns and dungeons to learn more about the history of your characters and your world. You'll find everything here: a town that needs your help, a family that needs
