am using style tags to start, but they only apply
to the element inside them. I'm using the guide
to implement an App Install banner for a web
app I am working on. The problem is that the
CSS added in the style tag only applies to the
element, and not the body. Install App And CSS:
body { background-color: #e1e1e1; } #app-
banner { width: 100%; height: 480px;
background: url(no-repeat center center fixed;
background-size: cover; } How can I modify this
CSS so
