Download Setup + Crack

1. PLOT A land, Tarnished, was created by the Elden Ring and corrupted with magic. In the corrupted land, two kingdoms, Skye and Araragi, collided. A great hero was born. A hero named Arcadias. Arcadias killed the monsters and took back the land. The Elden Ring, recognizing Arcadias' strength, gave him the power to make a kingdom. He built a kingdom and created a new land called the Lands Between, and continued to develop the land. 2.

ARCADIAS' PERSONALITY Arcadias has the personality of a majestic king that is warm and sincere. The Elden Ring, the source of Arcadias' power, watches over him with care. 3. A SELECTION OF MAJOR CHARACTERS Arcadias-Hero Arcadias, a hero, appeared in the Lands Between after the end of the World of Darkness. Arcadias is the protagonist of the Tarnished arc, and he searches for his friends in the corrupted land. A knight with a divine power known as the King's Blade, he is a kind and kind soul. He protects the Lands Between with the Elden Ring's power and leaves a deep impression on those who meet him. He fights with a sword called the Soul Blade, and it emits a divine protection that calms monsters down. Araragi-Hero Tohsaka Araragi, a hero, appeared in the corrupted land after the end of the World of Darkness. As the enemy of Arcadias, he is the antagonist of the Tarnished arc. He is a powerful mage who believes that the power of all people is infinite. He uses the power to show the superiority of evil. He fights using magic which he himself is the cause of. Osaka-Hero Sousuke Osaka, a hero, appeared in the corrupted land after the end of the World of Darkness. He is a cheerful and easygoing boy. He holds a noble feeling toward Araragi, which leads to tragedy. He fights using the power of his rings. Garfiel-Hero Leo Garfiel, a hero, appeared in the

corrupted land after the end of the

Bio:

Chronological Order:

Created in 2019, Tarnished hacked the world of Pokémon, and now, it's time to expand its scale of possibilities. Tarnished represents the strong will to develop as many contents as possible while not losing the enjoyable simplicity of the previous games, and introduce a new system full of new content.

Chronologically, it is an action RPG that will take place in the Lands Between. An asymmetrical world that can be experienced in many ways, and be led to experience the outer enemy or outer story by the player.

Gameplay Video

Highlights of the features in Tarnished:

EXPLORE THE VAST WORLD A vast world that is open, contains many areas, and can be freely changed, so you can enjoy fresh surroundings with each playthrough. A WELCOMING WORLD WITH VARIOUS EXPERIENCES Explore the world by crossing a variety of dungeons, fields, and cities. Feel the playfulness of experiencing different stories while changing the route. A THICK STORY WITH MULTIPLAYER COMEDY Among the surrounding areas, town gatherings, and the dungeons filled with monsters, there are many places of drama that connect through player dialogue. Enjoy a huge game experience.
