FIFA 22 allows players to experience a plethora of new ways to interact with the ball. FIFA Ultimate Team's "Create-a-Player" feature will include over 300 new signings. These signings will enable new ways to unlock a wide range of new players, providing FIFA gamers with an abundance of footballing options. Team bonding has never been so easy! FIFA Ultimate Team members will also have access to a multitude of customisation and personalisation options across the game. Players will be able to update their player cards and personalise skills and attributes in-game, allowing them to tailor their football experience with their favourite team. Premiere Edition content for the Xbox One will be available to download from launch. PlayStation 4 owners will be treated to an extensive line-up of content, including the all-new "Create-a-Club" mode, where players can create and name their own club from scratch. An extensive range of additional content will be released in the run-up to and during the FIFA season. FIFA Ultimate Team will return to the line-up for the first time since FIFA 19 with FIFA 22, and it will be one of the most exciting versions yet. FEATURES · FIFA 22 offers an increased number of features and more ways to play than any other version of the game. · New ways to play with the ball: New "Create-a-Player" and "Create-a-Club" modes offer expanded ways to customize your footballer · Enjoy the new "Radial Ball" system that increases the ball's unpredictability and makes a visual statement of off-the-ball attacking power · Enjoy the new "Substitute" strategy that allows you to manage your squad during a game · Enjoy a new "Kick Zone" mechanic that makes long passes even more effective · Enjoy an all-new "Set-piece Master" mode, which allows you to face a defender before striking an accurate set-piece · Enjoy a new "Tiki-Taka" mode, in which you can take calculated risks to reach the opposing goal before your opponents · Enjoy the return of the "NewBall" unlockable system · Enjoy more than 600 licensed players, with over 300 new signings coming to FIFA 22

Developed from the core of FIFA 19, this new feature lets players create and manage their very own Ultimate Team, comprised of players and player items from around the game. From legendary superstars to never-before-seen rookies, these virtual cards can be assembled to form the ultimate team of footballers, with each pack of players including a collection of custom created player faces that can be adapted as you progress through your team. Focus on Champions - With more than 150 official tournaments available in the game, players can go all-out for Champions League glory, with a rich variety of challenges, including the return of UEFA Champions League, UEFA Europa League and UEFA Super Cup, with eight different formats on offer. PLAY WITH OR AGAINST FRIENDS - Now players can play matches with their friends in addition to taking on the world online with their friends, through local/online cross-play, or offline against CPU-controlled teammates. Commenti In case some dude who doesn't know anything about FIFA still bought the game, please know that FIFA on mobile is completely free to play, while on PC, the "Weekly offers" that are sent by EA are just a way to try out a new game mode or so, which can be bought with real money after you've tried it once. ADVERTISEMENT ADVERTISEMENT ADVERTISEMENT NEW DELHI: Congress' vote-bank strategy to target the AAP's young brigade by singing their praises seems to be working, a data analysis of its social media team suggests. A review of Congress' Twitter and Facebook handle over the last two years - and the current phase of polling in Punjab, Kerala, Tamil Nadu and Goa - reveals that the party's online propaganda seems to be focused on the AAP's young leadership rather than the latter's stance on issues like war with China and Muslim terrorism. The Congress' efforts suggest a strategy of sneeringly dismissing the youth brigade as "political hobbyists" and "flashy", and it has clearly succeeded in tainting AAP's popularity as being "uneducated and un-professional." The Congress' posts have a high reach and are shared by seniors among AAP's leadership. BJP has also picked up on AAP's image of being a party that is "young, loud, tech-savvy and liberal." It has had a keen focus on Trupti Desai in Goa and Meenakshi Lekhi in Punjab, two leaders
